NEED A HOST?

Bring your team together with a hosted event designed to get everyone involved. Whether you're planning a team social, entertaining clients or organising a friendly competition, a dedicated host can run the session and keep everything flowing.

Your host will explain the format and scoring, organise matches and player rotations, track results and keep the event on schedule. This leaves your guests free to enjoy the games, connect with colleagues and take part in some friendly competition.

Choose from a range of formats:

- **Americano:** Everyone plays with everyone else once, rotating partners and opponents and collecting individual points. Ideal for mixing and connecting with colleagues.
- **Mexicano:** Matches adapt to players' results, grouping people of a similar level for balanced, competitive games.
- **King or Queen of the Court:** Short, lively rounds where winning pairs move up towards the top court and compete to hold their place.
- **World Cup:** A team tournament with a group stage followed by knockout rounds and a final; perfect for team spirit and friendly rivalry.

We'll help you choose the right format for your group's size, abilities and schedule. Ask us about adding a host to your corporate package.

Meal Options Further Details

Option 1 - Pizza & Fries

Option 2 - Individual Hot Meal:

- 5 different options of hot cooked meals (Curry, Chilli, Lasagna, Fajitas or Cottage Pie)

Option 3 - Buffet Menu:
